PRODUCT DESCRIPTION

Contemporary single robe hook featuring a compact cylindrical arm, a rounded front knob and a decorative circular wall plate. Finished in refined Pewter, it provides a practical hanging point for robes, towels, washcloths and lightweight bathroom garments. Its short wall projection creates a discreet, space-saving profile, while the rounded front element helps hold items securely in place. The balanced traditional detailing and metallic finish make it suitable for residential bathrooms, hotel rooms, guest washrooms and other coordinated sanitary interiors.
