AJW-0001

PRODUCT DESCRIPTION

Elegant linear handle designed for installation on a glass shower door. Its elongated metal form provides a comfortable grip while maintaining a refined and uncluttered appearance. The concealed fixing system creates a clean installation, while the pewter finish introduces a sophisticated aged-metal character suitable for classic and contemporary shower enclosures.

DIMENSIONAL DRAWING
MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
