AQZ-0001

PRODUCT DESCRIPTION

A wall-mounted folding shower seat for ADA-oriented applications, combining a rounded seat profile with a compact hinged support system. The seat folds against the wall when not required, helping save space while providing a practical seated showering solution. Pewter-finished mounting components add a refined, coordinated appearance.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
