### PRODUCT DESCRIPTION

Exposed wall-mounted single-lever bath and shower mixer with a rounded cylindrical body, compact control lever, integrated bath spout and lower shower-hose outlet. The smooth organic geometry creates a refined contemporary appearance suitable for modern bathrooms. Based on the supplied dimensional drawing, the mixer has an approximate overall width of 215 mm, an approximate overall height of 115 mm, and inlet centres spaced approximately 150 mm apart.

## DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
