PRODUCT DESCRIPTION

Three-hole wall-mounted basin mixer with a gently curved spout and two cross handles. The exposed trim uses a clean round-escutcheon design suited to contemporary and classic bathroom interiors. Based on the supplied technical drawing, the spout projection is 200 mm, the spout center is aligned with handles spaced 100 mm on each side, and the trim uses Ø65 mm escutcheons with a 15° outlet angle.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
