PRODUCT DESCRIPTION

Two-hole concealed wall-mounted basin mixer with a curved projecting spout and a single cylindrical control with pin lever. The design combines soft round escutcheons and a gently angled tubular outlet, making it suitable for contemporary bathroom interiors and countertop basin installations. According to the supplied technical drawing, the spout and control centres are spaced 108 mm apart, the overall spout projection is 247.5 mm, and the reach to the outlet is 179.5 mm.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
