PRODUCT DESCRIPTION

Single-lever concealed wall-mounted basin mixer with a sculpted projecting spout, tapered control lever and a soft rectangular backplate. The flowing geometry gives the mixer a contemporary and refined appearance suitable for modern bathroom interiors and countertop basin installations. Based on the supplied technical drawing, the visible trim plate measures 200 × 75 mm, the spout projection is 180.5 mm, the control center spacing is 108.4 mm, and the lever length is 81.8 mm.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
