	Warm Grey Veins	BFA-0004-WGV
	Cool Grey Veins	BFA-0004-CGV

PRODUCT DESCRIPTION

Contemporary freestanding washbasin featuring a softly rounded basin and a gently tapered conical profile that gradually narrows from the top towards the base. Its full-height monolithic construction integrates the basin and pedestal into one refined floor-mounted unit. Manufactured from durable ceramic with a smooth glossy marble-effect finish, the basin includes a single tap hole, an integrated overflow and a standard centrally positioned waste outlet. Its sculptural silhouette makes it suitable for modern residential, hospitality and commercial bathrooms.

DIMENSIONAL DRAWING
MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
