PRODUCT DESCRIPTION

Distinctive countertop washbasin featuring an irregular organic profile inspired by naturally flowing forms. Manufactured from tempered crystal glass, the basin is shaped with multiple sculpted layers that create depth, transparency and a refined decorative effect. Designed for direct installation on a bathroom countertop, it provides a striking focal point for contemporary residential, hospitality and premium commercial interiors.

DIMENSIONAL DRAWING

MM

All dimensions are shown in millimetres unless otherwise stated. Site conditions, cut-out, trap system and mixer clearance should be verified before installation.
